The Honorable Andrea Johnstone

Warren B. Rudman United States Courthouse
55 Pleasant Street, Room 110
Concord, NH 03301

Dear Judge Johnstone:

I am a 2L at New York University School of Law. I am applying for a clerkship for the 2023-24 term. Enclosed are my current resume, law school and undergraduate transcripts, and two writing samples, a culminating paper for Criminal Procedure discussing a simulated postconviction case and a simulated suppression motion drafted for the seminar portion of my Federal Defender Clinic.

I offer you 5 years of full-time work experience on top of what I've gained in law school. This includes time spent teaching abroad, teaching underserved students in the U.S., working as an appellate paralegal, and working closely with both a former Democratic political consultant and the last Labour Prime Minister of the U.K. I also am an Appalachian Trail and Colorado Trail thru-hiker, a yogi, and a writer. In law school, I have largely focused on criminal law and public defense.

My letters of recommendation are written by Helen Hershkoff, Professor of Constitutional Law and Civil Liberties at NYU Law, reachable at helen.hershkoff@nyu.edu or (212) 998-6285; Randy Hertz, Vice Dean at NYU Law, reachable at randy.hertz@nyu.edu or (212) 998-6434; and Stratos Pahis, Assistant Professor at Wake Forest Law, reachable at pahiss@wfu.edu or (336) 758-3317. The three were, respectively, my professors in Civil Procedure, Criminal Procedure, and Lawyering. I also worked as a summer research assistant for Prof. Hershkoff. Gordon Brown has also made clear that he will serve as a reference for me. Please let me know if you would like this reference, and I will contact him.

It is equally important to me to find a kind boss as it is to find a legal mentor. I hope to hear from you.

Respectfully,

/s/

Dear Judge,

My name is Andrew Straw and I am writing to apply for the **Law Clerk** position advertised in OSCAR. I am a U.S. citizen, disabled both physically and mentally from my public service to the U.S. Marine Corps and a state supreme court.

My disabilities are listed here:

<http://disability.andrewstraw.com>

My current address and contact info in the Philippines is as follows:

Andrew Straw
Putok Road, Apt. A
Población II Barangay
Bauan, Batangas 4201
The Philippines
Tel: +63-966-752-1875
andrew@andrewstraw.com

I have been recognized by the ABA for my civil rights work on behalf of people with disabilities. The former president of the Association of American Law Schools hired me to be an assistant dean in charge of the Law School's International Program in Bloomington, Indiana. I was the Law School dean's research assistant for most of my student time there. I served on the Diversity Conference of the Virginia State Bar.

My work as a disability activist has allowed me to achieve some important statewide precedents in Illinois, including that businesses piling snow into handicap parking spaces is discrimination. Further, I have acted as an editor for a Ph.D. candidate and helped her complete her dissertation in law and Chinese **human rights**. I also edited her book on Chinese **human rights law**, comparing *rule by law* and *rule of law*. I fought against sexual harassment (men and women) at the South Bend Housing Authority and when I worked at the Indiana Supreme Court, I invented the Court's protective order database in a White House and Harvard e-government competition. I was the one who made the successful disciplinary complaint against Indiana Attorney General Curtis Hill for his groping 4 women and I explain it here: <http://curtishill.andrewstraw.com> I believe civil rights work must ultimately always result in positive **change**, even though the road is twisty and long. Like Dr. King, I agree that courts can throw progress backwards and court reform is needed, especially on disability matters.

<https://www.youtube.com/watch?v=zgVrlx68v-0>

Indiana bans all disabled people from being lawyers and I have struggled with discrimination from that state for over 20 years.

I have been quite active since I graduated, working for transportation legend Alan M. Voorhees in Virginia and DC and the Chief Justice of Indiana. This is my hiring letter, demonstrating my high ethical and work competence: <http://hiring.andrewstraw.com> I must say that human rights work is the most rewarding and exciting area of law for me and pursuing civil rights is truly the main

point of my professional life. I have researched for and written thousands of court documents. You can see how dedicated I have been at this URL: <http://all.andrewstraw.com>

I am a columnist for Democracy Chronicles and provided legal services to Ukrainian refugees after Russia invaded in 2014 and civil society came apart at the seams.

I have analyzed statutes and local ordinances and written proposals for change as well.

My father served in Vietnam and his training at Camp LeJeune resulted in my being poisoned and afflicted with **mental illness** my entire life. My mother got one of the cancers and died while I was in my last year of law school. As of 2022, there is now a law so I was able to make claims for the wrongful death and infant brain injuries. I hired a national mass tort law firm for this purpose. Public Law 117-168, SEC. 804.

You will find attached below my CV. I was approximately the middle of my class in Law School, but I believe this reflected the fact that **my mother was dying of her Camp LeJeune cancer** the first two years, 1L & 2L. After she died, my grades were mostly As. I was a National Merit Scholar and scored at the 99.9th percentile on the GRE, which I believe to be a better reflection of my abilities.

Salary & Benefits Requirements:

Telework allowing me to work from the Philippines, where dollars are more valuable. I have a wonderful HHA here in the Philippines who helps me with my disabilities and I support her and her children, 2 of whom are disabled.

I need medical insurance that covers me in the Philippines, including my HHA.

I have no student loans because I have been on SSDI since 2008.

Salary and rank: **Law Clerk**

Please let me know if you have any questions. I thank you for considering me as a law clerk.

Respectfully,

Andrew U. D. Straw

NB: I have been accepted to the University of Maine graduate certificate program in Interdisciplinary Disability Studies, which I intend to lead to a Ph.D. later on the topic of disability in the legal profession & judiciary.
